## 1. WHAT MAKES THIS RACE GREAT

### ATMOSPHERE!

We're excited to bring the Frontier AC experience back to Searchmont Resort and the Sault Ste Marie area for a second year. Last year's event certainly proved the area is made for adventure racing. This year, Race Director Geoff Langford will be co-designing the course with one of Canada's best racers, and SSM resident, Lawrence Foster. That means it's bound to be memorable!

Searchmont Resort is an ideal base for the event, with everything necessary for a high-energy athlete's village: a scenic base area, a modern ski lodge with great meeting and dining facilities, fantastic condo accommodations right at the base of the hill, and diverse terrain in all directions just waiting for you to bike, trek and paddle through.

## 2. HOW THE RACE WILL WORK

The Frontier Adventure Challenge features three disciplines: Mountain Biking, Trekking, and Paddling. Your coed or open team of three will have up to 8 hours to complete the roughly 40km unmarked racecourse. The order and exact length of each discipline will remain a secret until race day.

On the Friday night and Saturday morning before the event, teams must submit all completed paperwork and pass a gear check in advance of the Race Briefing. If your team has completed registration in advance of the Race Briefing, you will receive topographic maps and a course description featuring coordinates and course descriptions. At the Race Briefing, the course designer and race director will review the course, discuss any important logistics, and answer any questions you may have. You will have until the start of the race to plot the CP's on your maps and strategize your team's game plan.

At the word 'GO', teams will set off to reach each checkpoint in the order specified at the Competitor Briefing and within the 8 hour time limit. Following the race, we'll celebrate your achievement with an Awards Celebration including a banquet, sponsored prizes and awards, and a party! This is a great time to mix with other teams, volunteers, and race staff, and share your team's race experience.

**Friday, July 10 - When Adventure Begins!**

Competitor Registration: (17:00 – 21:00)

To ensure that your team moves through Competitor Registration as efficiently as possible, please ensure your team is prepared for the following steps:

1. Paperwork Check – All of your team's paperwork will be collected and filed by our staff:
  - 3 signed Frontier Waiver of Liability & Image Release forms (one per team member)
  - 3 signed CARA Waiver forms (one per team member)
  - 3 completed 'Competitor Medical' forms (one per team member)
2. Gear Check – In a separate area, our staff will check the condition and presence of **ONLY the items specified on PAGE 2 of the [Gear List](#)**. Specific instruction as to which gear bags are for which disciplines during the race will be provided in the Competitor Directions. We DO NOT need to check your bike, so please don't bring bikes into the registration area. The Mandatory Gear List is available for download [HERE](#) or on the race page at [www.fastadventures.com](http://www.fastadventures.com).
3. Competitor Kit Pick-up – Upon successful completion of your team's Paperwork and Gear Check, you can return to the main table to receive your team's T-shirts, as well as Competitor Kit containing the following items:
  - 3 Frontier AC Race Jerseys
  - 3 Bike Plates (with zip-ties)
  - 2 bag tags for your gear (with zip-ties)
  - 3 Post-Race Banquet passes
  - Your team passport
  - Swag from our generous sponsors

As soon as you receive your Competitor Kit, please put on your Frontier AC Race Jerseys. This helps our staff to quickly identify you if need be and allows for small amounts of friendly trash talk to begin amongst teams (just checking that you're reading this!). In addition, you must attach your bike plates to the FRONT of each bike and follow Race Staff instructions as to where to leave your bikes and gear bags. Lastly, put your team's Passport in a safe spot as you must have this with you at all times on the racecourse.

**Saturday, July 11 - Raceday**

**Competitor Registration:** All remaining teams must check in with race officials to complete all paperwork, the Gear Check, and receive the Competitor Kit.

**Map Distribution & Competitor Briefing:** Starting at 07:00, any one team member may pick up your team package, including the race maps and directions – but only if your team has completed all aspects of registration.

At 08:30, all teams must meet for the Competitor Briefing. This is when the racecourse is reviewed, and any unanswered questions are addressed. This will end at approximately 09:00, leaving each team until 10:00 to review the maps and instructions, finish plotting the checkpoints, and complete any final preparations. Race staff will be available to answer your questions!

**Race Start:** If the race features a remote start, teams will be notified during registration, and again during race briefing, of the time to meet the buses. Teams will gather at the designated start area for a 10:00 mass start. At the word 'GO', your adventure begins. You must reach each checkpoint (proof is a punched passport at each CP) in the order specified at the Competitor Briefing and within the 8 hour time limit to complete the racecourse as a ranked team. Remember, your team of three MUST remain within

100m of one another throughout the entire race or risk a penalty or disqualification – work together and you will move faster! Your team's pace is up to you – push for the win or just enjoy the authentic wilderness race experience.

**Race Officially Ends:** Teams will have until 18:00 (or 8 hours from race start) to complete the entire racecourse. Teams that finish within the 8-hour time limit and who have reached each checkpoint in order will be recorded in the final standings as a ranked team. If your team does not finish before the cut-off time or if you miss a checkpoint, you will still receive a ranking, but will follow all teams that finish complete and in time.

**Dinner:** In an effort to offer hot food to all teams, we will serve the Post-Race dinner from 17:00 – 19:00. This way, teams finishing the racecourse quickly will not have to wait too long for their food while later finishing teams will be welcomed back to Base Camp by a delicious, hot meal.

**Awards & Prizes:** To cap off a great day, we will be holding an Awards & Prizing ceremony beginning soon after 18:00, once all teams are in off the course. The top team in each category wins a **50% discounted entry** to the Frontier Adventure Challenge Fall Classic and Champs in September.

While we have great prizing for the top teams in each category, we also have many special awards, draw prizes and other giveaways - so everyone who raced has a chance to win. It's also become a post-race tradition to share your crazy and entertaining stories from the race course for prizing and glory!

## **4. THE WEEKEND**

**Directions to Searchmont Resort:** Visit the [race web page](#) for a Google tool to provide driving directions to Searchmont.

**Accommodations:** [Searchmont Resort](#) is offering incredible rates for racers, volunteers and their friends and families. Searchmont offers roomy condos with kitchens, balconies and fireplaces that can sleep up to 8 for only \$149/night, or 2 nights for \$249. Split a condo with another team, and join us for the athlete's village environment! Ask for the **Frontier Adventure Challenge** special rates.  
1.800.663.2546

**Meals:** Searchmont is offering two great deals for dinner Friday night, and breakfast Saturday morning.

**Friday 6-8 pm: \$10 pasta dinner special!** Whole Wheat Penne Pasta with tomato & eggplant sauce, garlic bread and salad for \$9.95

**Saturday 7-8 am: \$7 breakfast special:** Cereal, fresh fruit, yogurt, bagels, toast, juice, milk, coffee & tea. Only \$6.95!

**Race Stuff Recycling Program:** Are race jerseys, bike plates, and bag tags beginning to take up your valuable gear space? No room left on the wall for more? Help us to help the environment and to lower the cost of staging races by recycling any or all of these items. We would love your entire team's 'stuff' returned together, but singles are appreciated as well.

Each jersey costs just over \$10, bike plates almost \$4, so with your help, you can imagine the savings we will be able to invest back into the races in other ways. At each race this season, we'll draw from all the current season items returned at the wrap-up for special prizes from one of our sponsors. Last year, we put more than 400 jerseys back into use!

## 6. **MANDATORY GEAR LIST**

The Mandatory Gear List must be downloaded [HERE](#) or on the race webpage at [www.fastadventures.ca](http://www.fastadventures.ca).

The Gear List contains a checklist of the gear you must bring to registration, information about on-course gear checks, and suggested additional gear for the race.

## 7. **RACECOURSE DESCRIPTION**

You should always expect to get mucky during the trek(s), and possibly during the bike section(s) – even during the driest part of summer, we like to find the swamps! Please keep a close eye on the weather forecast for race weekend (we've provided a direct link via the race webpage). No matter what, packing extra clothes is a strongly recommended strategy in case the weather takes an abrupt turn over the course of race day.

More details about each discipline and suggested preparations will be posted and distributed closer to race weekend.

### **Trekking**

Make sure to wear light, comfortable shoes and socks, and take measures to prevent blisters from the inevitable combination of wet feet, moisture, and heat. In keeping with the Frontier AC tradition of thrilling trekking sections, select your navigation strategy carefully here. For first timers, keep it simple - set your bearing, follow it in the field, and trust it until you hit your target. If you employ this strategy, you will move quickly from CP to CP and may surprise yourself with how well you do. Typically, declination will not affect your navigation as your target will be well-defined, and you will not be traveling extended distances.

Remember, no team has EVER become hopelessly lost in a Frontier AC event, so don't worry!

### **Paddling**

All three teammates will paddle together in a standard canoe. Typical flat-blade canoe paddles will be provided with the canoes at the Transition, but you have the option of using your own canoe or kayak paddles instead, or [you can rent](#) light & fast, multi-piece Simon River Sports kayak paddles from Frontier.

**SOLO RACERS:** Canoes are provided for all teams, but **solo racers need to provide their own boats** (kayaks, solo canoes, duckies, etc). Our official boat supplier for this race is Heyden Adventure Base Camp. They will transport your rental kayak with the race canoes, so you have one less thing to worry about! Contact Brian at 705.777.1010.

Safety on the water is a priority concern. Any river sections will be well-scouted and confirmed as safe with local paddling experts. You won't be paddling anything over class 2 rapids on your own – if we introduce more 'exciting' water, we will provide a guide for your team, and typically would provide a raft instead of canoe.

Portages are possible, and be sure to stay in touch with your map and compass. Total paddling distance is usually around 10-12 km for this race.

### **Mountain Biking**

The mountain biking is typically a mix of gravel roads, singletrack, and snowmachine or ATV trails (doubletrack). Make sure your granny gear is in working order as we typically provide some good uphill for you, but you're usually rewarded for your work with a spectacular view and some fun downhill.

**Advanced vs. Regular Course**

At a clearly identified transition area or checkpoint, the racecourse will split – regular course and advanced course. The advanced course is a set of additional CP's your team may choose to tackle.

The deciding factor as to which course your team will do is the time that your team reaches this point. If you arrive before the cut-off time for the advanced course, you are welcome to take on either course (NOTE: You are NOT forced to take the advanced course if you arrive before the cut-off time). If you do arrive after the cutoff time your team must take the regular course to the finish line. Teams completing the advanced course automatically rank ahead of the regular course finishers.

By adding this element to the event, we aim to cater to the increasingly competitive spirit of the Series while still offering a fun and challenging regular course to the majority of teams.

**8. FORMS TO COMPLETE**

**Team Roster:** When your team signed up for the event, this race was added to your team profile's **REGISTERED RACES** summary (at the bottom of your team profile page). It asks you to '**Update your Team Roster**' by clicking on the race. Please do so as your team will otherwise have to fill out additional information on race day – time consuming for your team and extra work for us. To do this:

- At [www.fastadventures.com](http://www.fastadventures.com), select 'Create/Update Profile'
- Log into your Team Profile by having the team captain enter his/her email address and password as entered at the time of registration (if you've forgotten, the database can send you a reminder)
- Type the last name of the team members you wish to add if they are not already listed on your TEAM PROFILE (this assumes that each team member already has created a profile on the FAST website)
- Click through to this Frontier AC race at the bottom section of this page
- Select the team members you are racing with at this event from the drop down menus

**Completed Forms for Race day:** Please complete the following forms for EACH team member and bring them with you to the host site on race day. This will speed up the on-site registration process for your team, giving you more time to prepare for the start of the race.
